

TEMSCON-ASPAC 2025

4th IEEE Technology and Engineering Management Society Conference: Asia-Pacific (Conference ID: 65329)

Bangkok, 14-16 September 2025

CALL FOR PAPERS

Achieving Competitiveness in the Age of AI and Big Data Analytics

The 2025 IEEE TEMS Conference Asia Pacific (TEMSCON-ASPAC 2025) is a flagship conference of the IEEE Technology and Engineering Management Society. TEMSCON focuses on the cutting-edge development and practices of technology and innovation management in the current business environments. This year, TEMSCON ASPAC 2025 raises a theme of **"Achieving Competitiveness in the Age of AI and Big Data Analytics"**. The rapid development of AI and Big Data Analytics have been impacting business practices and society. This event brings together scholars and experts from Asia-Pacific and beyond. It includes an Industry Forum where industry leaders share insights on the trends, impacts, opportunities, and challenges of AI technology in enhancing global business competitiveness.

We invite contributions from scholars, practitioners, researchers, innovators, and entrepreneurs in advancing the understanding and the state of practice related to successful technology and engineering management.

- AI and Competitiveness
- Big Data Analytics in Industry
- Challenges and Opportunities of Big Data Analytics
- Technology for Sustainable Manufacturing, Logistics, and Supply Chain
- Cybersecurity Policies and Processes
- Digital Healthcare Systems
- Innovative Business Models for Startups
- Business and Strategic Analytics
- People and Leadership Practices in AI Era
- Managing Software Ecosystem
- Entrepreneurship and Digital Ecosystem
- Technology and Innovation Management
- AI Practices in Education and Training
- AI and Software Engineering
- Machine Learning Technology for IoT
- IoT or CPS Applications and Use Cases
- Socioeconomic Impacts
- Knowledge in Business and Organization
- Digital Transformation and Innovation
- Information and Knowledge Systems

Important Dates

Full Paper Submission	: 31 March 2025
Notifications of Acceptance	: 31 May 2025
Camera Ready Submission	: 30 June 2025

Publication

Accepted papers will be submitted for possible inclusion into IEEE Explore.
