

IEEE CS Update SysCon Adcom

Andy Chen

Vice President,

Professional and Educational Activities Board

April 27, 2017

The Community for Technology Leaders

Where do we want to be with our training and certifications?

Recognition and acceptance
of IEEE CS training and
certifications by global
academia communities

Recognized by students,
instructors and
professionals as an
authoritative producer of
educational materials

Recognition and adaptation
of IEEE CS training and
certifications by **targeted**
industries

Establish an IEEE CS
Collaboration Framework
with Academia, Industry,
Government and
Professional Organizations

How Did We Get it Started?

Recommended Partners

Power and productivity
for a better world™
