

IEEE Oceanic Engineering Society Representative Report

Steve Holt

Montreal, Canada

27 April, 2017

IEEE OES Size and Conferences

- ▶ Approximately 1,600 members
- ▶ Web site: <http://www.oceanicengineering.org>
- ▶ Conferences, Workshops and Symposia
 - ▶ Two “Flagship” conferences each year: one in North America and one alternating between Europe (odd years) and Asia (even years)
 - ▶ Sponsored OES Conferences, Symposia, and Workshops
 - ▶ Non-Sponsored OES Conferences, Symposia, and Workshops

IEEE Structure

- ▶ Works closely with Marine Technology Society (MTS)
- ▶ ExCom has ten Officers
 - President, Junior Past President and Senior Past President
 - VP of Conference Development
 - VP of Conference Operations
 - VP of Professional Activities (Regional Chapters and Student Chapters)
 - VP of Technical Activities (18 Technical Committees)
 - Editor-in-Chief, IEEE Journal of Oceanic Engineering
 - Treasurer and Secretary
- ▶ Joint Oceans Administrative Board (JOAB) coordinates two organizations working together and maintains a Conference Operations Manual
- ▶ Active Recon team

IEEE OES AdCom

- Three groups of six members each having three year rotating terms
- Many team members wear several ‘hats’ with running ad hoc and standing committees
 - Membership
 - Strategic Planning and Implementation
 - Promotions (press releases)
 - Web Modernization
 - Student Activities and Scholarships
- Several awards given out at Fall conference for Distinguished Service, Technical Achievement, Corporate Recognition, Student Posters, etc.
- Several Publications (JOE, eNewsletter, Beacon (printed quarterly))
