

HSI Technical Committee - Early Winter 2020

- **Peer Reviewers Needed:** A Special Issue of the Ergonomics in Design Journal will feature Human Readiness Levels. 
 - We are looking for peer reviewers for the submitted papers - due in mid January.
 - Please email me if you are interested in participating in this important activity.
- **Standard for Public Comment:** “ANSI/HFES 400-2021 Standard - Human Readiness Level Scale for System Development and Operations” will be available for public comment in January.
 - The standard will be posted on the Human Factors and Ergonomics website.
 - Please email me if you would like to be notified when this standard is available for peer review.
