

HSI Technical Committee - Late Summer 2020

- IEEE Systems Conference (SYSCON) - Virtual
 - New Dates! Mon, August 24, 2020 -Thu, August 27, 2020
 - For information to participate virtually <https://2020.ieeesyscon.org/>
- HSI TC Contributed Book from IEEE Press
 - Our HSI TC book, “A Framework for Human System Engineering Applications and Case Studies,” received 14 contributed chapters and has gone to press!
 - See the attached table of contents.
- Next Project - Reviewing the System Engineering Body of Knowledge (SEBoK) Human System Integration (HSI) Entry
 - We are forming a team to review the SEBoK HSI entry
 - https://www.sebokwiki.org/wiki/Human_Systems_Integration
 - Email me if you are interested in participating!
- Membership List Update and Charter Renewal
 - Thank you all for updating your interest in membership on this committee
 - The update charter is attached.
