

HSI Technical Committee - Spring 2020

■ IEEE Systems Conference (SYSCON) - Postponed

- Montreal, Quebec, Canada - April 20-23, 2020
 - A “Socio-technical Systems Track” is included in the Conference
 - The conference has been postponed due to the coronavirus pandemic

■ HSI TC Contributed Book IEEE Press

- Our IEEE book, “A Framework for Human System Engineering Applications and Case Studies,” received 14 contributed chapters
 - Authors are currently responding to reviewer comments
 - The book will be submitted for publication this summer

■ Three Year Charter Renewal

- Our technical committee is reaching its 3rd anniversary this June
- Interested in helping revise the charter or assuming a leadership role?
 - Send an email to hhandley@odu.edu
- Yearly membership renewal emails will be sent later this spring
 - Please reply if you want to maintain membership in the committee
