

HSI Technical Committee - Winter 2021

- Our contributed book is officially published:
 - <https://ieeexplore.ieee.org/book/9289918>
- The ANSI/HFES 400-2021 Standard - Human Readiness Level Scale for System Development and Operations - will be available for public comment starting January 15th.
 - The standard will be posted on the Human Factors and Ergonomics website <https://www.hfes.org/>
- Please welcome Phil Barry as our new Technical Committee co-Chair:
 - <https://www.linkedin.com/in/philipsbarry/>
- Happy New Year to All! Please let me know if you have any suggestions for our committee for the coming year:
 - <https://ieeesystemscouncil.org/human-system-integration-technical-committee>
