Industry Track

- The industry track, implemented at IEEE I2MTC 2016 in Taipei, Taiwan, was quite successful
- We plan to continue that track in 2017, using the same format
 - Industry papers limited to less than 3 pages
 - First/corresponding author must be from industry
 - Not submitted for publication in IEEE Xplore

Young Professionals and Student Members

- ❑ Young Professionals Panel at I2MTC
- ❑ Graduate Student Panel – “Finding your Niche” at I2MTC 2016
- ❑ IMS student members will be given the first priority for Student Travel Grants
- ❑ We recently established the Best Student Chapter Award

Technical Committees

- ❑ Available at <http://ieee-ims.org/technical-committees>
- ❑ 19 TCs
- ❑ TCs are being promoted as the I&M Society's "Centres of Expertise"
- ❑ TCs to be linked to other I&M Society functions:
 - Conference special sessions
 - Provide nominations for Distinguished Lecturers
 - Provide nominations for IMS Graduate Fellowship grants
