

IEEE SYSTEMS COUNCIL CIRCUITS AND SYSTEMS SOCIETY REPORT

Robert Chen-Hao Chang

AdCom Meeting, October 13, 2017

Vienna Marriott Hotel

Vienna, Austria

CASS UPDATES (1/2)

- + Improve the quality of service
- + Restructuring the conference portfolio: optimized the list of sponsored Conferences
 - The aim was to enhance the quality of papers and to ensure a profitable participation of CASS members.
- + Many university administrators don't count conference papers for the academic career
 - decrease of participants
 - prevents the transmission of tacit knowledge; skills, ideas, and experiences that people have in their minds are transferred with personal contact, interaction and trust
 - sustaining the social-scientific feature of events

CASS UPDATES (2/2)

- + Renewing the CASS website
- + A book on short history of circuits and systems
- + Continuing support to summer and seasonal schools
- + i-DLP, the Industrial Distinguished Lecturer program
 - favoring synergies between basic research and industry
- + President (2017-2018)
 - Franco Maloberti, University of Pavia, Italy
- + President Elect
 - Yong Lian, York University, Canada
