

# Chairing and Organizing Conferences Lessons Learned

**Prof. Hen-Geul (Henry) Yeh**

**Chair, IEEE Green Energy & Smart Systems Conf.**

**Chair, IEEE Systems Council Chapter**

**Chair, Electrical Engr. Dept., Cal. State U., Long Beach, USA**

**April 26, 2018**

# IEEE Green Energy & **Smart** Systems Conf. (2017 IGESSC)

## SkyTran – Fast, Green Transit for Smart Cities

Keynote Speaker:

Douglas J. Malewicki

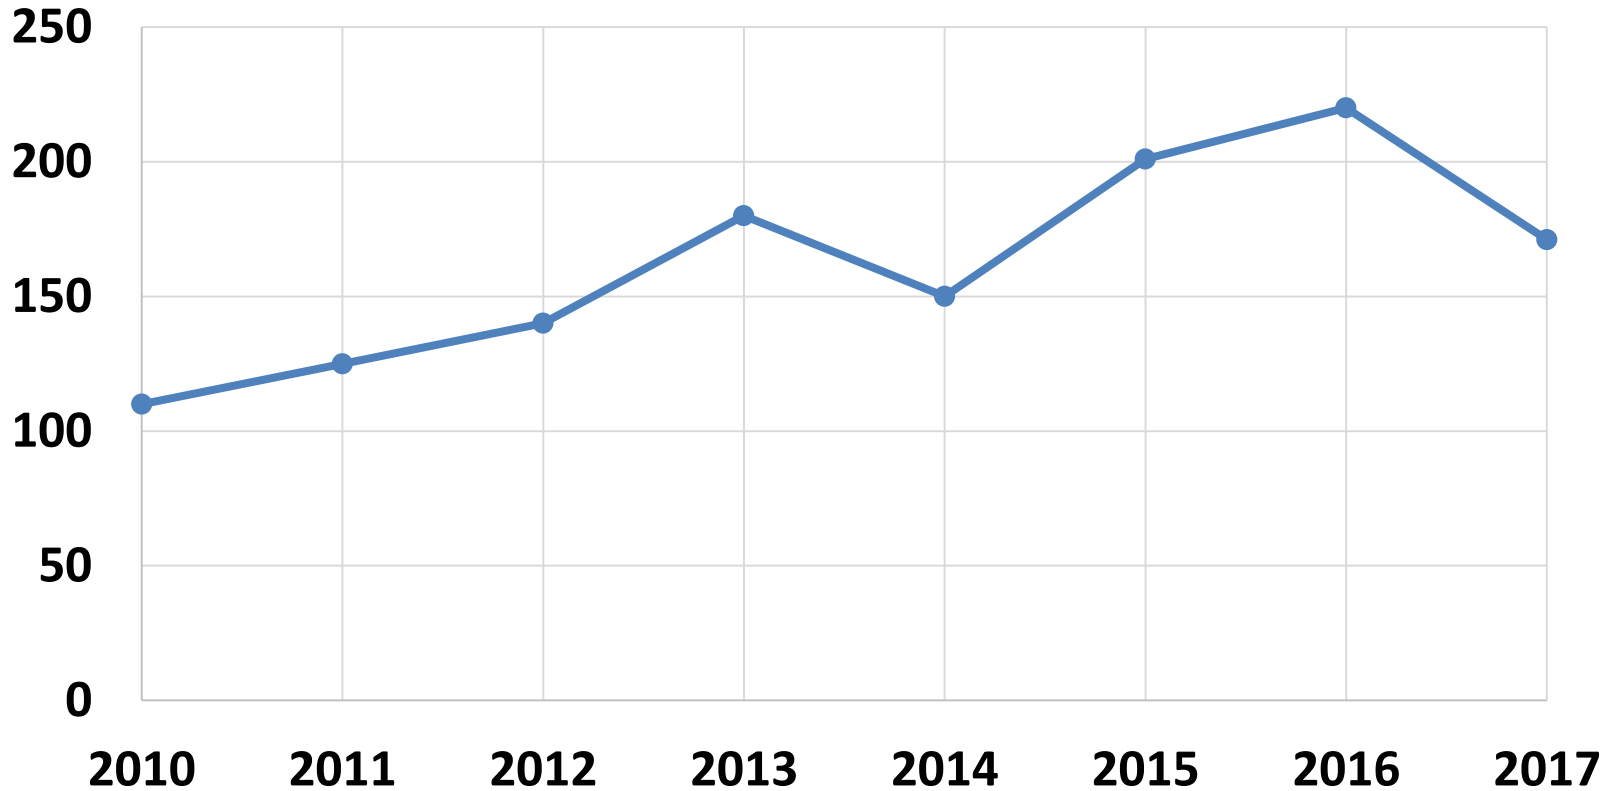

Inventor, Founder and Chief  
Visionary of SkyTran, Inc.

President/Chief Scientist for  
AeroVisions Inc.

# History of IGESSC

## No. of Attendees

# Call For Papers: IGESSC 2018

## Smart Systems

- Smart Systems: Smart Building, Smart Campus/City
- Internet-of-things and Green Computation
- Intelligent Transportation Systems

## Green Energy and Power

- Safe and Resiliency Micro-Grids
- Modeling Cyber-physical Grids and Demand Response
- Solar Systems, Energy Storage, Fuel Cell Technologies

# Websites

## Website IGESSC 2018:

<http://sites.ieee.org/clas-sysc/call-for-papers-2018/>

## **IGESSC**

Founding Chair (2010): Prof. Henry Yeh

Growing from a local Conf. to an International Conf.

## **Website IEEE Systems Council Chapter:**

<http://sites.ieee.org/clas-sysc/clas-sysc/>

Founding Chair (2009): Prof. Henry Yeh

# Special Features of (IGESSC)

- Student Post Session Competition with Awards
- Technical Track papers will be published by IEEE
- **Higher interested on Smart Systems**
- Technical Sponsored by
  - IEEE Systems Council
  - IEEE Region 6
  - IEEE ComSoc
  - AIChE LA/OC Sections
  - ASME LA Section
  - CSULB, College of Engineering

# **IGESSC Survey Conducted by IEEE CSULB Student Branch**

- **To evaluate the efficacy of the conference, a survey was conducted among 86 IGESSC participants.**
- **94% of the survey participants believed that the conference had a positive impact on their career**

**Thanks for your support.**
