Challenges

- ▶ COVID-19 impacted significantly on 2020 conferences
 - COVID-19 impacted significantly the 2020 & 2021 conferences
 - We have had on average 25% less paper submission
 - We have had on average 50% less registrations
 - Attendees are not as engaged due to an on demand virtual format instead of an in person event
- ▶ International travel restrictions
 - ISSE 2021 change to virtual and hotel venue rescheduled to 2022.
- ▶ Lack of engagement by conference host organizations
 - Shanghai University, host organization for RASSE 2021 did not attend planning meetings since May

Action Items

- ▶ Reconfirm Shanghai University's as the host organization for RASSE 2021
- ▶ Recruit universities from China to be knowledge partners and submit their research papers
- ▶ Conference site inspections for RASSE 2022 and Kick-off meeting held.
- ▶ 2022 and 2023 conference outlook
 - 2023 SYSCON in Vancouver, Canada
 - 2023 ISSE in Paris, France
 - New SYSC conference in MENA region in Israel
