ISJ: Other Information

- All papers submitted in 2015 have been included in issues by the first 2018 issue.
- All papers submitted in 2016 will be included in issues by the fourth 2018 issue.
- Current page limits (applies to papers submitted from 1Jan2015): 8 complimentary pages for regular papers; up to 12 pages, with overlength page charge of US\$150 per page. No complaints received from authors.
- EIC is concerned about backlog (about 2,900 pages ready for inclusion in issues in 2019, plus about 2500 pages accepted by the end of 2018 ready for inclusion in 2019; about US\$56 per page is the cost of IEEE page production).
- No publicity since beginning of 2015 to limit the increase of the backlog of accepted papers.
- No special issues approved since the last quarter of 2014 to limit the increase of the backlog of accepted papers.
- 2018 page budget is 3500 pages (2700 in the budget + 300 approved in 2017 Fall AdCom meeting + 500 approved in 2018 Spring AdCom meeting).
- *Suggested additional page budget for 2018: up to 500 pages, if compatible with financial sustainability by taking into account also the revenues from overlength page charges.*
- Page budget for 2019: 4000 pages, approved in the 2018 Spring AdCom meeting.
